

# Talking With Your Doctor

## How Can I Find Out if BOTOX® Is Right for Me?

It's important that you explain to your doctor what you are experiencing. Be confident and direct; this is your time to get the answers you're looking for.

### Topics about BOTOX® and questions to ask your doctor to get the answers you need

#### How well BOTOX® may work for your OAB symptoms

**ASK** "How quickly does BOTOX® work, and what results should I expect?"

#### Your doctor's firsthand experience

**ASK** "What has it been like for your other patients who've tried BOTOX®?"

#### A clear recommendation for BOTOX®

**ASK** "Is BOTOX® a good option for me?"

#### Knowing if BOTOX® will be effective for you

**ASK** "Can I start with a full sample treatment of BOTOX® to see how it works for me?"

#### The treatment procedure

**ASK** "What happens during the procedure?"

#### Possible side effects

**ASK** "What kind of side effects can occur after receiving BOTOX®?"

#### Retreatment evaluation schedule

**ASK** "How often do I need to get BOTOX®?"
